A stunning two double bedroom apartment set within the iconic Grade I Listed St Pancras Chambers. The building previously housed the Midland Grand Hotel, designed by George Gilbert Scott, which opened in 1873 and is widely accepted as one of the finest examples of Victorian Gothic Architecture.

This spacious lateral apartment is on the second floor and boasts an abundance of natural light, offering 4m ceiling heights as well as iconic gothic style windows with far reaching southerly views.

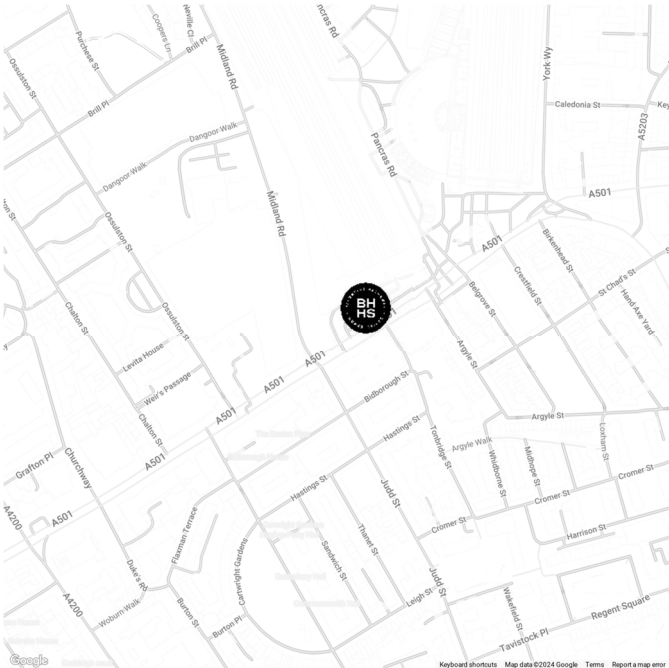

The building itself offers 24-hour concierge services and access to room service from the five-star St Pancras Renaissance Hotel, which also includes two restaurants, two bars, function rooms and ballroom. Residents can also access the fitness centre and spa with therapy pool by separate subscription.

St. Pancras Chambers is located within St. Pancras International, which offers a superb selection of shops, cafés and restaurants in King's Cross and Camden. Transport links include St. Pancras International and King's Cross Station (Northern, Victoria, Hammersmith & City, Metropolitan, Circle and Piccadilly lines, National Rail) providing frequent services into the City and the West End.
